

**University of Debrecen**

**Faculty of Law**

## **LLM in European and International Business Law**

**A law degree that makes you a successful lawyer in the international market**

**Your path to success in the legal world**

## LLM in European and International Business Law

Under the patronage of the **University of Debrecen**, a Hungarian University of National Excellence, the Faculty of Law offers you the most wanted and popular, widely accepted LLM program in European and International Business Law. This LLM program provides modern, business-focused law degree with a special European character, focusing on the tendencies of the European and international market. The program gives you the opportunity to take your legal expertise to a whole new level, learning how European and international law make a remarkable impact on

business life, exploring both legislative and judicial elements of European business law, trade law and corporate law.

University of Debrecen **Faculty of Law** is located in the second most largest city of Hungary, a truly college town, Debrecen. The beautiful, historical campus provides all the infrastructure you need to your studies and well-being at the same time. The library has a dedicated European Documentation Center wing, offering authentic documents of EU institutions along with the most up to date European and international business law literature in English. The University of Debrecen has over 30,000 students, almost 4,000 of them are international students. The university provides a wide range of recreational services, sport activities, cultural events, literally everything a vivid student life requires.

Our scholarly educated **faculty** gained experience in teaching international students in Western Europe and in the United States of America. Visiting professors are common, arriving from other EU member states and the U.S. as well. The growing number of elective courses gives you the chance to customize and personalize your experience and training while studying European and International Business Law in Debrecen. You will be on your way toward a successful law career once you enroll in our LLM program.

The LLM is **practice orientated** and develops skills needed to succeed in an international career path and at all workplaces requiring cross-cultural understanding, flexibility and contemporary, practical legal knowledge. During the program you become an educated, well prepared lawyer who is able to operate at a strategic decision-making level, representing and serving clients to world standard.

### The city of Debrecen

Debrecen is the **second most populated city** in Hungary with a little bit more than 200,000 inhabitants. The town is easily accessible by train (cc. 2,5 hours) or by car (2 hours) from Budapest and by plane from several European cities. The city has excellent public transportation system as well as many recreational services (spa complexes, swimming pools, sports facilities, movie theaters, opera house, exhibition halls, museums, etc.) and plenty of dining options offering multiple ethnic and international cuisine choices (e.g. Japanese, Mexican, Italian, French, Arabic,

Indian, Vietnamese, American, etc.) as well. Public safety is outstanding both in town and on campus. In Debrecen you may enjoy big city life in a relaxing and calm environment.
